Dear Learners and Leaders Families.

Thank you for being patient and understanding during this very challenging time. Information from the NYC Department of Education (DOE) and the NYC Department of Health (DOH) are continually updating school communities of changes in building operations.

As of today, we have been asked to:

1. Suspend all early morning and after school programs until further notice.
2. Suspend all non-essential activities (assemblies, PTA meetings, parent-teacher conferences, Saturday events) until further notice.
3. Suspend all field trips until further notice.

As of this letter, Maspeth Town Hall is still operating today, Friday, March 13, 2020. When we learn of how Maspeth Town Hall will manage this new information, we will let you know.

We thank you again for being understanding during this time. Our community first philosophy is what will help us through this challenging time.

Please use the DOE's Coronavirus link: schools.nyc.gov/coronavirus

Thank you and if you have any questions or concerns, please feel free to reach out to the Admin team and Debbie, our Parent Coordinator.

Best,

Matthew Borelli, Acting Principal
